

## Welcome to HeartLight Wedding and Event Center

Located near the University City area of Charlotte, the center is surrounded by lush greenery and foliage and flower gardens creating a natural and colorful setting for your perfect day.

The center has two event spaces:

The charming, newly renovated 110-year-old Light House is the perfect venue for intimate gatherings. The Light House has its original hardwood flooring, offers neutral wall coloring, and is a charming setting with convenient amenities. Included are a bride's dressing room, a prep kitchen with a big island for buffet presentations, seating inside and on our beautiful porch, and convenient parking for your guests. Guests will enjoy our porch swing overlooking our little secret garden of beautiful flowers and foliage adding outdoor tables and chairs for additional seating, and offering a little bit of country living in our big city. Depending on the type of event, the 650 sq ft event space/reception area can host events with up to 50 guests.

The Sanctuary is a 1000 sq ft carpeted space that can host up to 75 in a theater style setting. With full a/v capabilities, it's a great space for Weddings, Workshops, Community Association Meetings, and more.

The two buildings are connected with a covered ramp that also extends to handicap parking area.
